INTRODUCTION

AGC has been established in Jeddah, Saudi Arabia in 2005 with the ambition to be the preferred construction and electro mechanical contractor in Saudi Arabia and deliver integrated solutions for the market's increasing complex needs in the industrial property and retail sectors.

We specialized in infrastructure construction with emphasis on Engineering, Procurement, and Construction (EPC) on Electrical Systems, MEP Works, Structural Steel Works, Road Works, Civil Works, Building Construction.

For over a decade, we have been building up our expertise to serve an ever increasing demand and challenging construction needs in Saudi Arabia. With our employees having knowledge of regulations, great technical ability and experience of working in a wide range of industries, we can minimize your costs and fulfill your requirements.

We are committed to meet and exceed our customer's expectations by providing high quality equipment and supplies from industry recognized suppliers; seamless workmanship through our well experienced and highly qualified staff; and efficient processes. We look forward to teaming up with you in making '**AGC**' an outstanding one.

Sincerely,
AMLAS GENERAL CONTRACTING EST.

OUR SERVICES

ELECTRICAL WORK

Our professional expertise are in the field of Electrical Power Systems of various voltage levels especially **LV & MV distribution networks**; also we offer maintenance, engineering, supply, installation, testing & commissioning, retrofitting as well as production and project management.

- Panel boards, Power Substation, Switchgears
- Highway and Street Lightings, Highbay Lightings
- Power Generation, Cabling and Termination and splicing etc.,

Hereby we introduce our business partner **ALTEC Electric** for all our major electrical projects.

MECHANICAL WORKS

- HVAC - Air Conditioning and Ducting
- Fire Alarm and Fighting Services
- Building Management System (BMS)
- MEP Maintenance Service, Plumbing System and etc.,

CIVIL WORKS

- Pre-engineered Steel structure, warehouses, factories, parking shade
- Concrete Paving, Asphalt Paving, Soil and Rock bulk excavation, Landscaping
- Reinforced Concrete Water Tanks, Box Culverts, Road Gullies, Road Marking
- Drainage, Sewer, Manholes and Sanitary works
- Industrial support and supplies and etc.,

Hereby we introduce our business partner **Afaf Shaya Abdullah Al Mahmoud General Contracting Est.** for all our major Civil related projects.

ELECTRICAL SERVICES

We work as EPC contractor for Electro-Mechanical works with Installation;

- ***MV & LV Cables***
- ***HV Substation***
- ***MV Switchgear***
- ***Package Substations***
- ***Transformers & RMU***
- ***Batteries, Chargers & Capacitor Banks***
- ***Generator & ATS System***
- ***Meters, Sensors and Gauges***
- ***Low Current Systems***
- ***Power Factor & Power System (ETAP) Consultation***

MV & LV Cable Works

We are specialized in all Civil & Electrical works related to LV & MV under/over ground cable network installations including Excavation, Cable Laying, Cable Termination, Cable Jointing, Cable Testing & Backfilling with required standards.

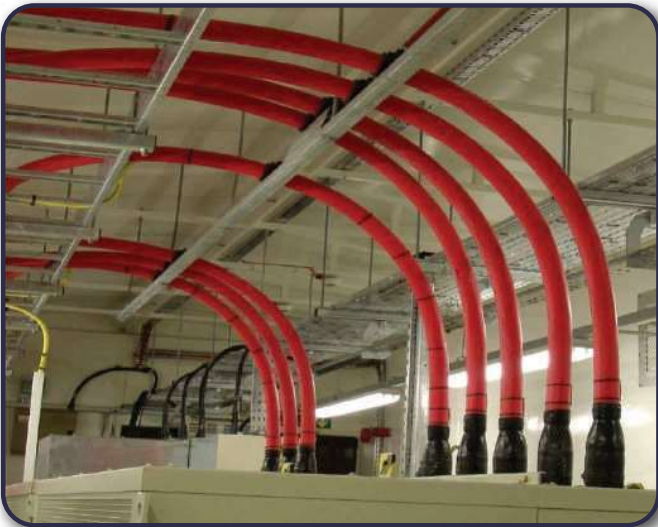

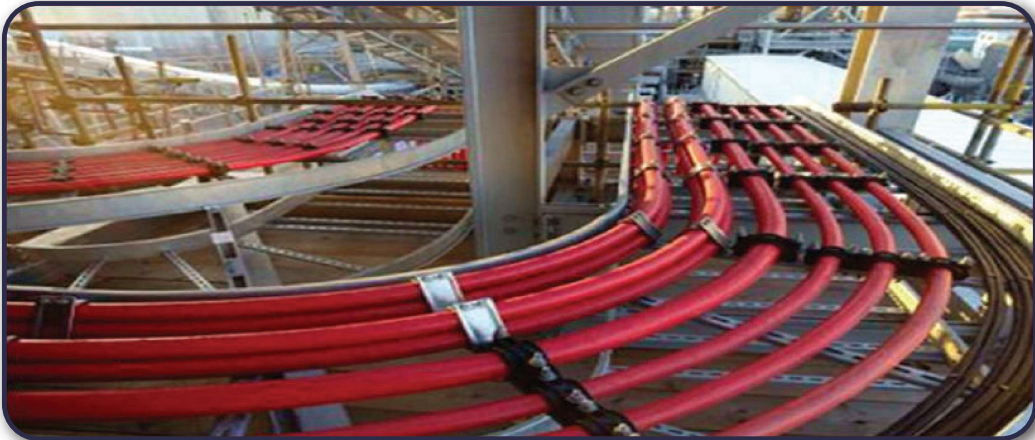

We have a professional and approved team (SEC) who worked on critical projects under tremendous pressure and achieved successful results. Our experienced team can install all types of cabling from control cabling to medium voltage cabling, in either trench, duct or steel containment system.

With our in-house workforce of engineers, technicians, jointers, ground workers & equipment, we can offer our clients a full installation & testing package, consisting of:

- **MV & LV CABLE INSTALLATION**
- **TERMINATIONS AND JOINTING OF CABLES UP TO 36KV**
- **CABLE TRAY & LADDER RCK INSTALLATIONS**
- **TESTING OF MV CABLES**
(IR TEST, HI-POT TEST, SHEATH TEST, ETC.)

We believe that having the right tools for the job is imperative which is why we constantly invest in the best equipment to enable fast and efficient completion of our contracts, this has enabled us to compile a large array of equipment such as *Cable Pulling Winches, Electric Hoists, Drum Trailer, Duct Rods, Cable Rollers, Hand Held Hydraulic Cable Crimper's, Hand Held Hydraulic Cutters, Hydraulic Foot Presses, and Hydraulic Cutters, etc.,*

MV & LV Cable Works

MV & LV Cable Works

SWITCHGEAR

- Supply, Installation and Commissioning
- Testing of Protection Relays
- Relay Coordination Study
- Testing of CT's and PT's
- Testing of Busbar, Breakers and Analogue & Digital Meters

POWER SYSTEM STUDY

We are offering the detailed study of new and existing protection systems using vast experience and knowledge of protection equipment and with the help of advanced software like **ETAP**. Our experienced team provide complete study for fault level calculations, single line diagrams, power factor improvement & energy management. Our services team specializes in **FAT & SAT** of various primary and secondary power system equipment including advanced **PROTECTION RELAYS & HI-VOLTAGE TESTING**.

LOW AND MEDIUM VOLTAGE POWER DISTRIBUTION NETWORKS & TRADING

AGC undertakes project of any magnitude in Power Generation and Distribution Networks. We provide complete design, supply, installation, testing, commissioning, maintenance, and modification service for:

Power Generation

- Diesel Generating Sets
- Synchronizing & Power Management Systems
- Control & Auto Transfer Panels
- Oil Fuel System
- Cabling & Termination

Low and Medium Voltage Power Distribution Networks

- Underground Cabling
- Overhead Lines
- Indoor & Outdoor Switchgears
- Package Substations
- Oil Type & Dry Type Transformers
- Pole Mounted Transformers
- Energy Meters
- Power Factor Correction Equipment
- Jointing and Termination

ELECTRO MECHANICAL SERVICES

AGC undertakes projects for complete electrical & mechanical services for large & medium sized facilities in the commercial, industrial, residential, educational and retail sectors. We provide complete design, supply, installation, testing, commissioning, maintenance, and modification service for:

- Main Distribution & Sub main Distribution Boards
- Cabling, Jointing & Termination
- Complete Electrical Distribution
- Internal, External and Emergency Lighting
- Standby Generators & UPS Systems
- Bus-Bar Riser Systems & Switchgear
- Lightning Protection & Control Systems
- Fire Detection / Alarm Systems
- Card Access Systems
- CCTV / Security Systems
- Mechanical Car Park Ventilation System
- CO Monitoring & Control System
- Fire Sprinkler / Protection System
- Plumbing and Drainage
- System Integration

CIVIL WORKS

AGC has been engaged in the Construction industry over a decade, in which it continues to pursue its program of constant innovation and expansion in its growing range of services over the years, it has achieved various disciplines of the construction industry which includes:

Building Construction

Industrial Buildings, Commercial Building, High Rise Buildings, Recreational Facilities, Residential Villas, Office Buildings, and etc.

Civil Construction

All types of Reinforced Concrete Structures, Asphalt Paving, Earthworks, External Utilities, and etc.

Structural Steel Works

Pre-engineered Steel Buildings, Space Frames for Industrial Buildings, Cold Stores, Warehouse, Sport Centers, Factories, Car Canopies, Showrooms, Service Centers, Poultry Buildings, Fences and etc.

ROADWORKS

AGC is concentrates on road construction, therefore, road marking and traffic sign boards is an integral part and necessity with such activities. Keeping in view the company developing its own road marking and all type of traffic sign boards division to deliver full package facilities to its clients.

LANDSCAPES WORKS

As sophisticated services are offered by AGC, we have the professional and qualified skills of merging the man-made structures, including street decoration, buildings, paving with the natural landscape, designs for landform, waterfalls, fountains and planting of decorative plants and lightings, design and construction of private or public parks, natural wadis developing and cityscape design.

FOAM SPARY WORKS

EPOXY PAINT WORKS

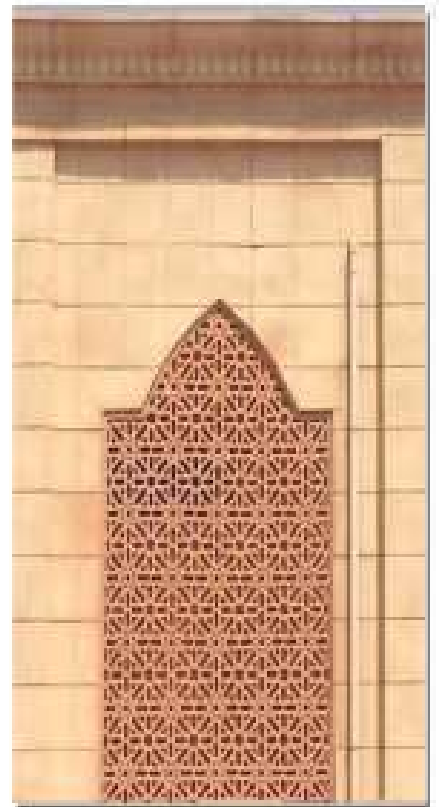

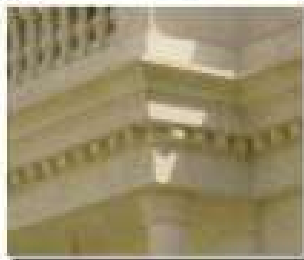

ASPHALT WORKS

ASPHALT WORKS

GYPSUM & G.R.C

PAINTING PROJECTS

AGC undertakes projects for various Painting Works

- School Playing Courts
- Factory Floor EPOXY
- Line Marking EPOXY
- Interior Texture
- Fire Proofing
- Galvanized Paints
- Corrosion Coating
- Aluminium Coating

APPROVALS

APPROVAL NO: 5004785

APPROVAL NO: 303031

APPROVAL NO: 10056832

HEATING, VENTILATION & COOLING SYSTEM

AGC undertakes projects for complete Heating, Ventilation and Air-Conditioning services for large & medium sized facilities in the commercial, industrial, residential, educational and retail sectors. We provide complete design, supply, installation, testing, commissioning, maintenance, and modification service for:

- Building Management System
- HVAC (Heating, Ventilation & Air-conditioning)
- Refrigeration System
- Smoke Exhaust System
- Ducting & Aluminium Gladding

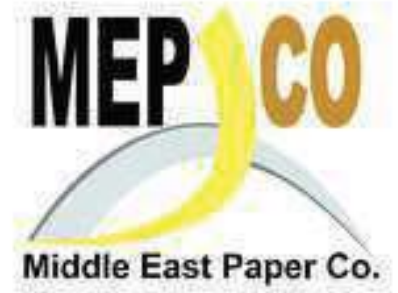

FABRICATION WORKS

AGC undertakes projects for various Fabrication works;

- Conveyors Fabrication
- Milling Work
- CNC
- Threading Projects
- Alignment Projects
- Copper, Bronze, Stainless Steel and Rubber Fabrication
- Insulation Work
- Hanging and Automated Steel Doors
